What is this type of insurance?

Pet Insurance is to help you cover the financial costs should your dog or cat of which you are the owner and keeper becomes ill or suffers from an accident. You choose the type of cover you need and level of benefit that is suitable for you.

What is insured?

You will receive the agreed level of benefit as stated on your policy schedule, for:

- ✓ **LIFETIME COVER** for your dog or cat.
- ✓ **VETERINARY FEES** following an accident suffered by your dog or cat.
- ✓ **VETERINARY FEES** following an illness suffered by your dog or cat.
- ✓ **COMPLEMENTARY TREATMENT** to your dog or cat.
- ✓ **ACCIDENTAL DEATH** of your dog or cat up to the age of 6 years.
- ✓ **DEATH** of your dog or cat from illness up to the age of 6 years.

What is not insured?

No payment will be made for any of the following reasons:

- ✗ Any Pre-existing conditions.
- ✗ The £110 policy excess. Any excess payable by you will be deducted from the overall maximum benefit limit as stated on your certificate of Insurance. The excess is applied annually at each renewal and is applied separately to each unrelated condition. The excess is applied per condition, per policy year.
- ✗ Any applicable co-insurance you are required to pay towards the costs of the Veterinary Fees (15% of the claim if your dog or cat is over the age of 4 or 25% of the claim if your dog or cat is over the age of 7 years or 30% of the claim if your dog or cat is over the age of 12 years). This is payable in addition to any policy excess and applies to every veterinary fee claim.
- ✗ More than the sum insured shown on your policy schedule.
- ✗ Any injury or illness present before your policy start date
- ✗ Any illness claim within 14 days of your dog or cat's first policy year.
- ✗ Any accident claim within 48 hours of your dog or cat's first policy year.
- ✗ Any non-necessary or preventative treatment.

Are there any restrictions on cover?

- ! You must be owner and keeper of the insured dog or cat.
- ! The maximum amount covered is dependent upon the level of cover you select. You can choose from the following levels of cover - £2,000, £3,000, £4,000, £6,000 or £10,000 and the cover you select will be stated on your policy schedule. You will be covered up to the maximum policy cover limit that you select each year and the amount will be reinstated each year.
- ! Your policy premium amount will not remain the same for the lifetime of your dog or cat. The premium you pay may change at your renewal date in the future. Your premium is revised each year and may increase as your pet gets older. The main reasons premiums increase upon renewal are taxation changes, veterinary procedure advancement, inflation and an increase in the probability of future claims.
- ! Your dog or cat must be aged 8 weeks or over.
- ! Your Pet must have annual check ups.
Your dog must not be a dangerous dog or crossed with a dangerous dog or a dog that is, or is crossed with, an African Wild Dog, Akita, Alapaha Blue Blood Bulldog, American Bandogge/Bandogge Mastiff, American Bulldog, American Indian Dog, American Pit Bull Terrier, American Rottweiler, American Staffordshire Bull Terrier, American Staffordshire Terrier, Anatolian Shepherd Dog (Karabash), Bandog, Boerboel, Bully Kutta, Canary Dog, Cane Corso, Caucasian Ovcharka, Chinese Shar-Pei, Chow Chow, Czechoslovakian Wolfdog, Dingo, Dogo Argentino, Dogue Brasileiro, Fila Brasileiro, Fox hound, Gull Dong, Husky Wolf Hybrid, Irish Staffordshire Blue Bull Terrier, Irish Staffordshire Bull Terrier, Japanese Tosa, Korean Jindo, Northern Inuit Dog, Perro De Presa Canario (Dogo Canario), Pit Bull Terrier, Racing Greyhounds, Saarlooswolfhound, Shar Pei, Tosa, Tosa Inu, Utonagan, Wolf Hybrid, Wolfdog, including any "type", as defined in the Dangerous Dogs Act 1991 or any amendments, considered to match the description of a prohibited "type"; any breed crossed with the above or the breeds as listed in the 'General Exclusions section' of your policy document; and any other breed or type deemed to be dangerous by the Secretary of State and subsequently added to the Dangerous Dogs Act 1991 or any amendments.
- ! Your dog or cat must be registered at a Veterinary Practice based in the United Kingdom when applying for cover.
- ! Where a condition is affecting one body part of which your pet has two, one each side of the body (e.g. ears, eyes, knees, cruciate ligaments) this will be considered a bilateral condition and when applying the maximum benefit limit or an exclusion, bilateral conditions are considered as one condition.
- ! Your pet must not have previously displayed any vicious or aggressive behaviour towards any human beings or to other animals.
